Recorder Ragtime Christmas

Celebrate a Happy Recorder Ragtime Xmas with these titles!

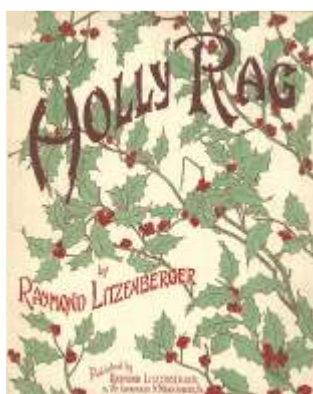

When preparing a programme including Léon Jessel's *Parade of the Wooden Soldiers*, widely considered to be a Christmas number, the question arose as to what other music was played by the old ragtimers during those ragtime years some 80 to 100 years ago during the festive season. A quick look through our main catalogue and data base brought the items given below to light. The items "on hold" generally be made available within 14 days at no extra cost - please enquire.
